CARDINAL
1973

John Brown 1972-73

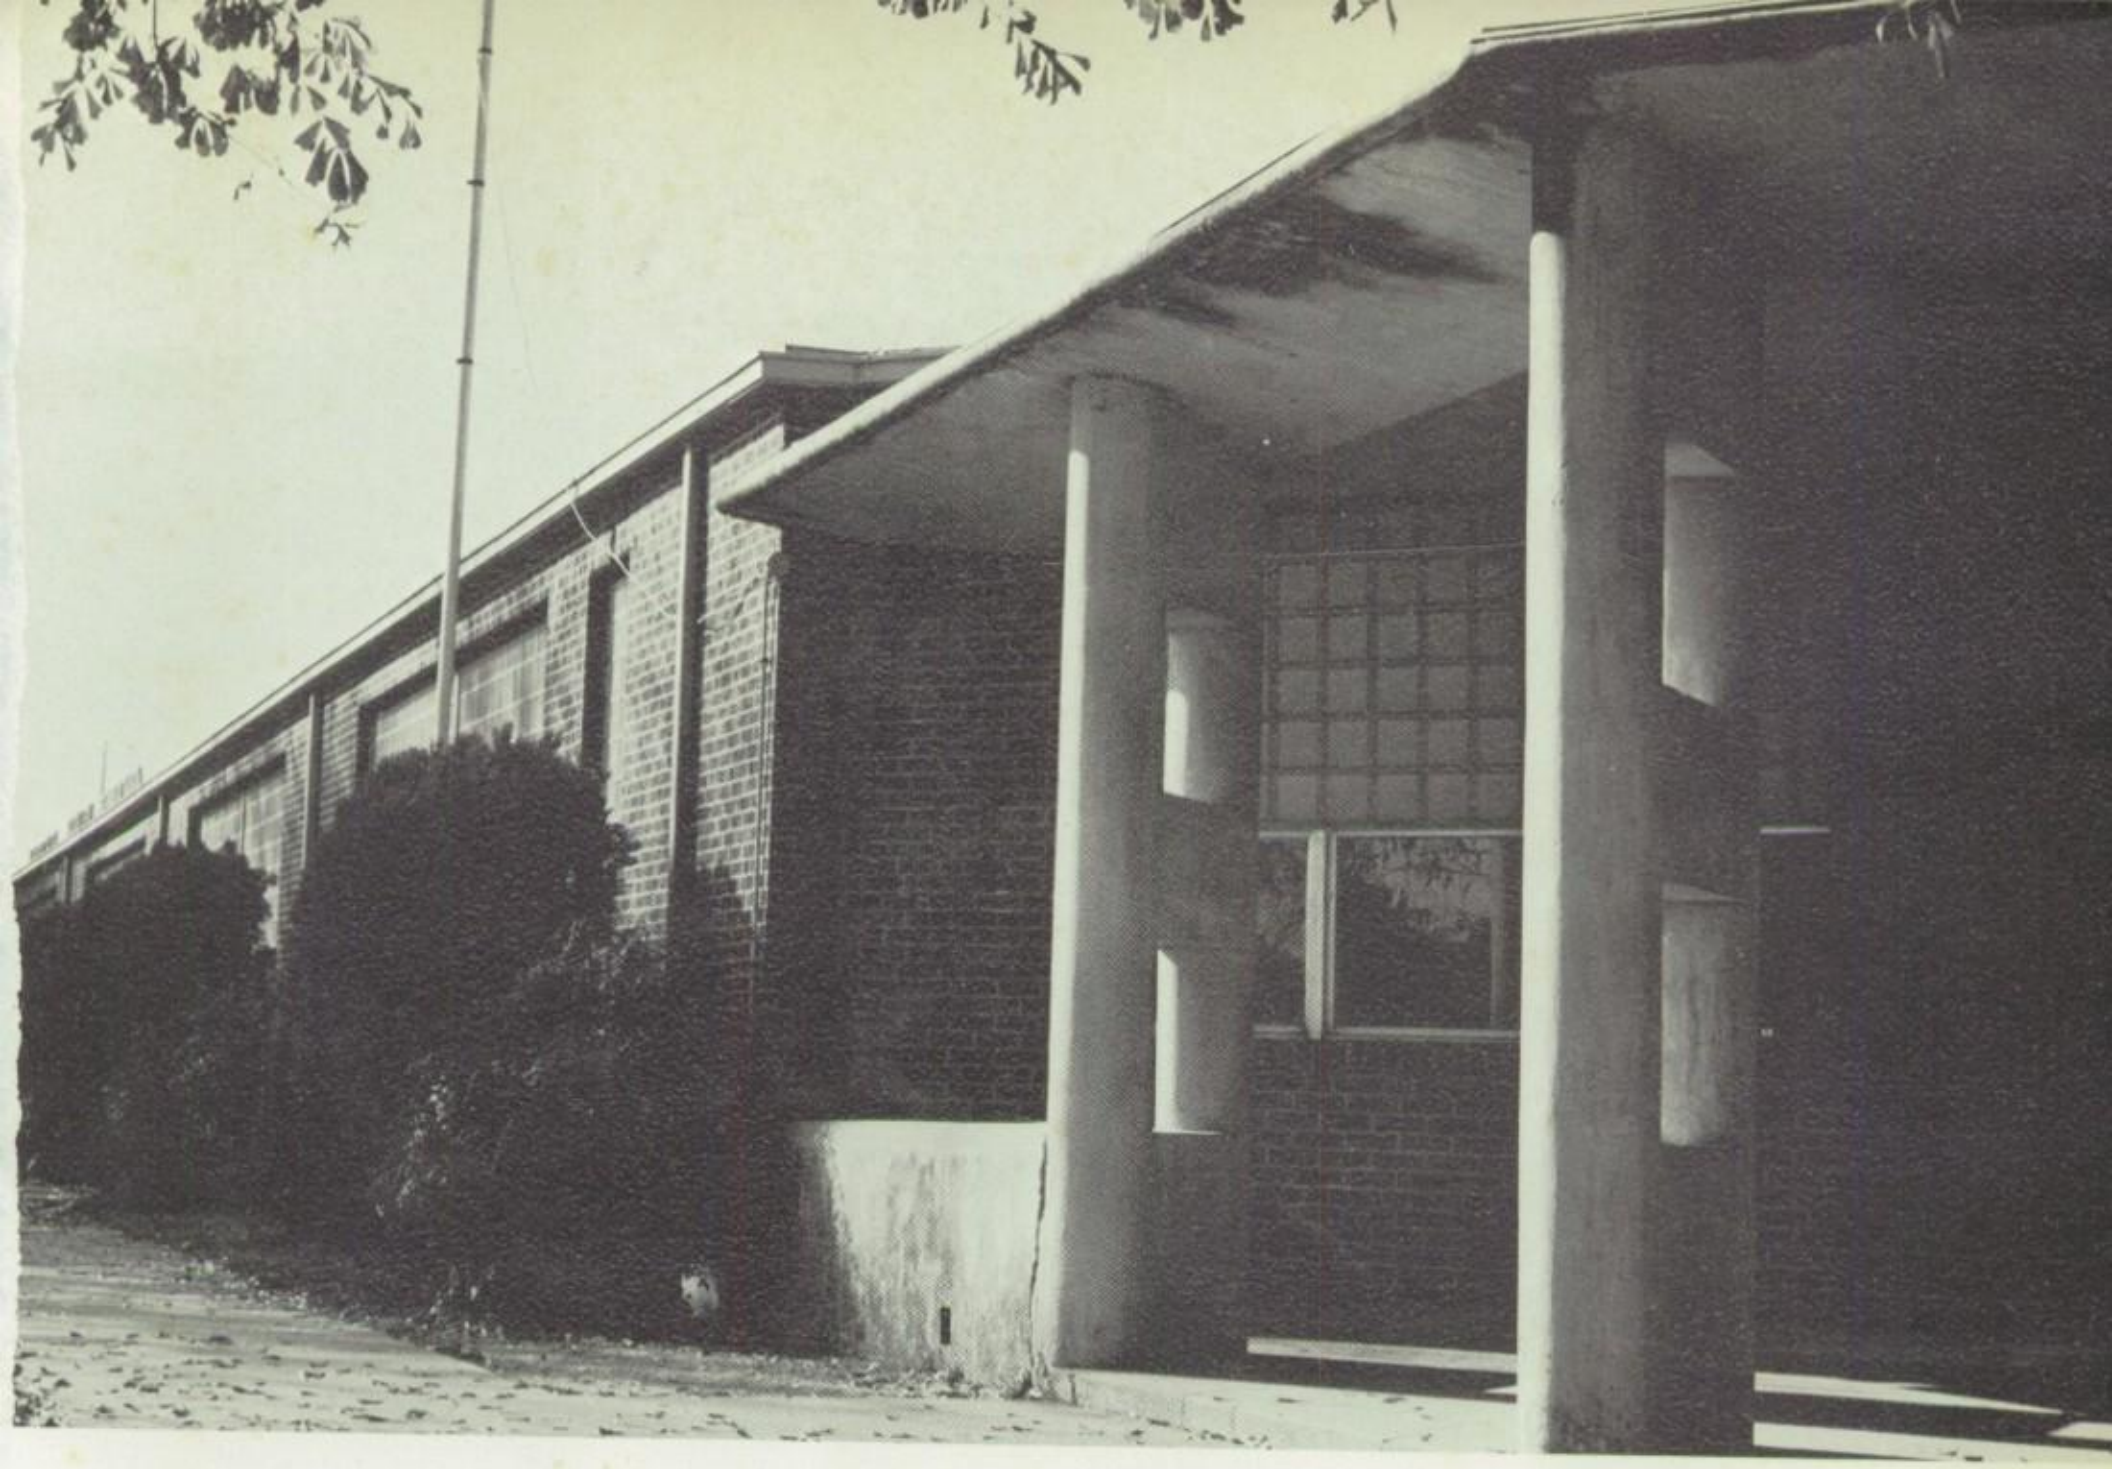
Dearest John,
This has been a
great year and
you were a great
part of it. You have
really been a close
friend and brotherly
type of person!

Love
Ren'e

John,

This has been a
great year. I have loved
the help & love given me
this year. Best of luck
next year with every
thing you do.

Love
Nancy



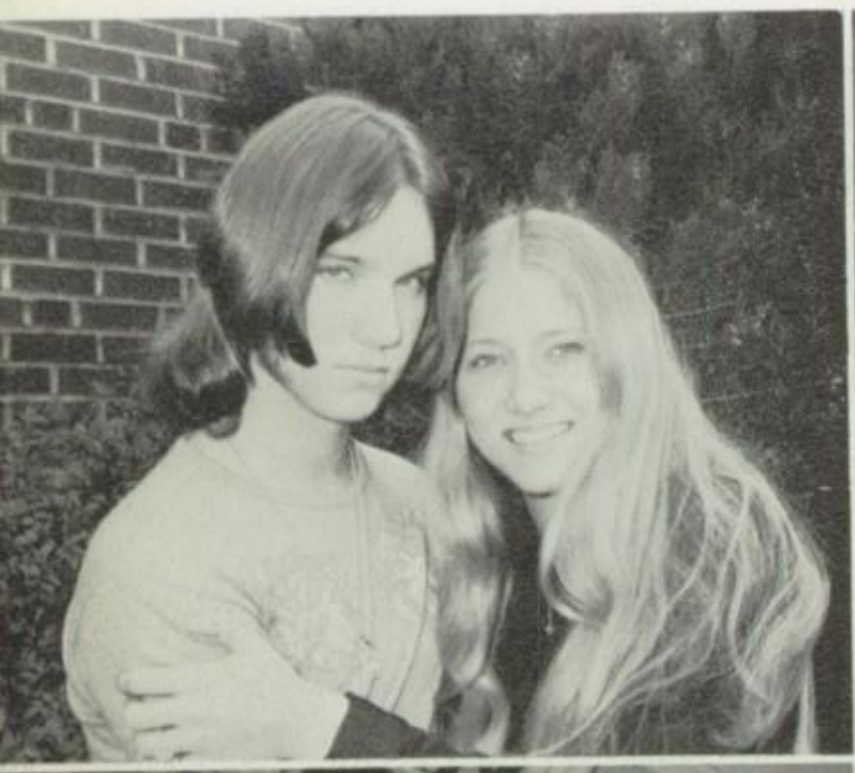
Alma Mater

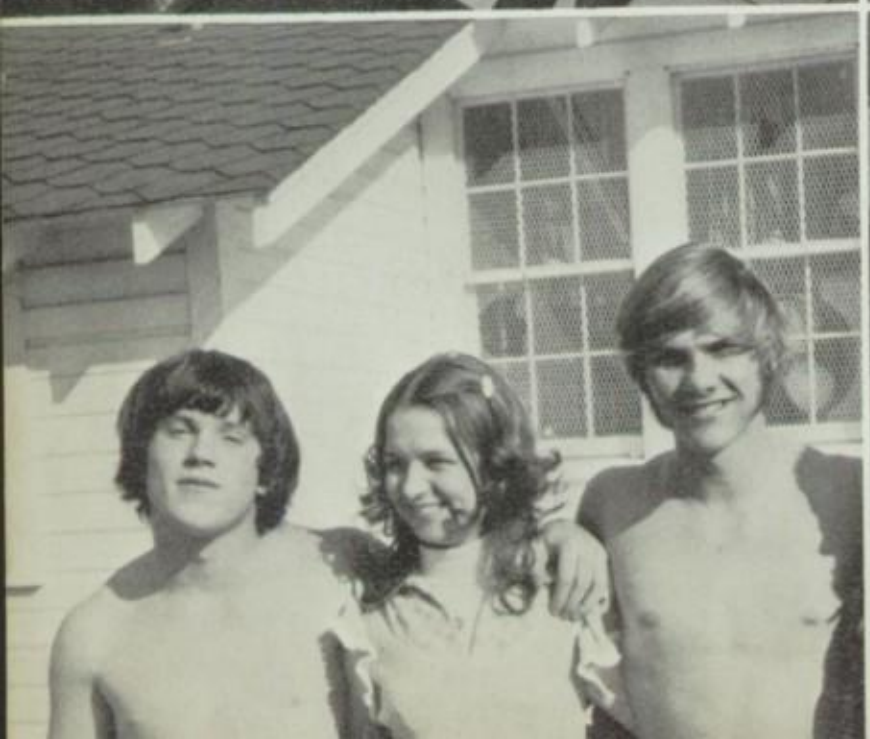
Wave your glorious banner over land and sea,
Let them know you stand for victory;
Keep those same traditions that you've held so long,
Teach them to your followers as you march along.
Strive for higher honors in the field of fame.
Teach them to respect your gallant name.
What ever you may do—We will all stand by,
We know our debt to—Won't forget you.

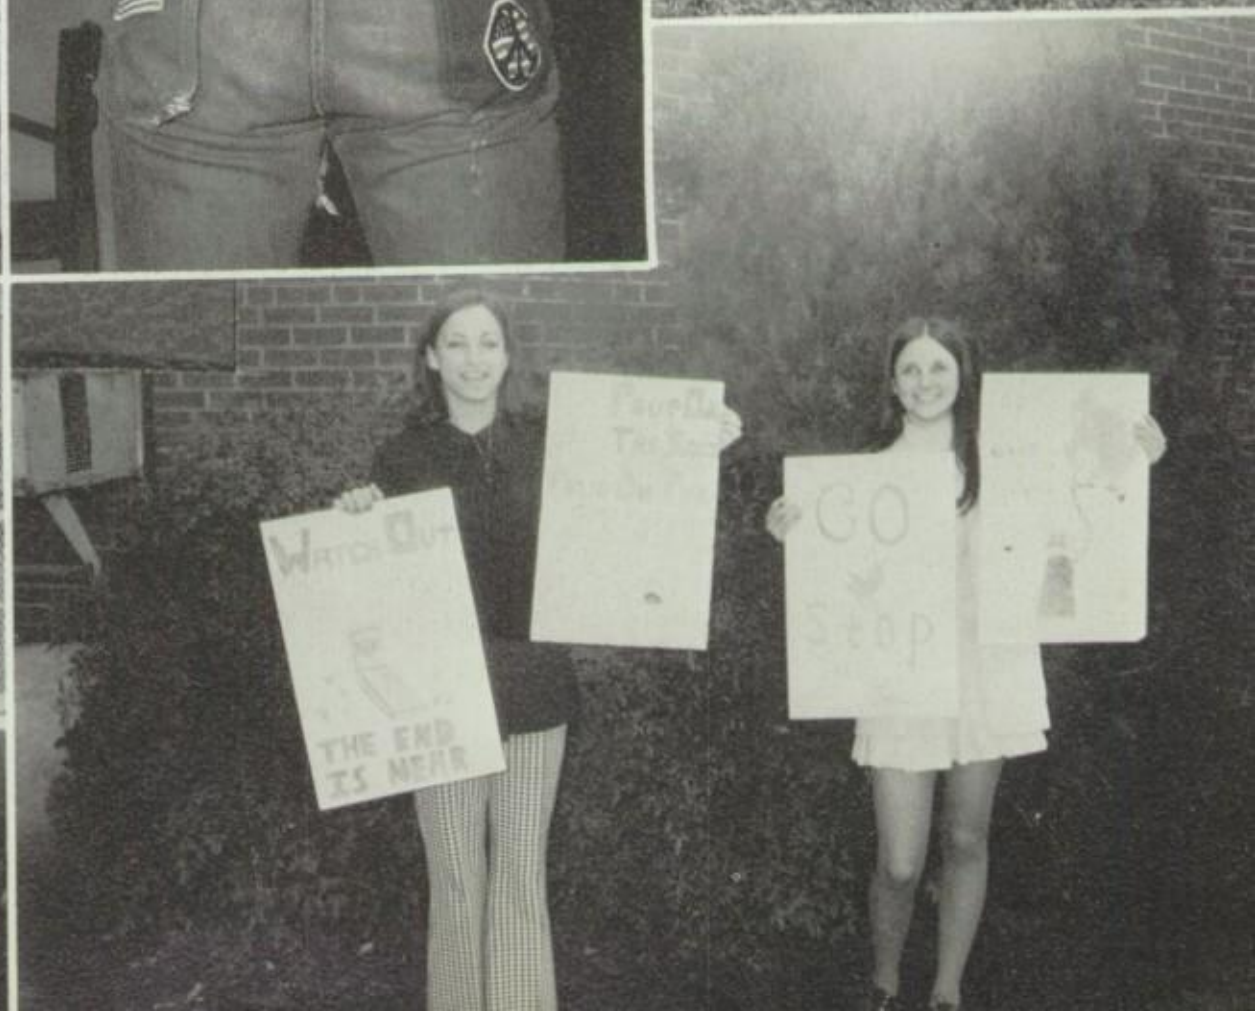
Fairview High.

Together . . . by yourself . . . with others . . . YOU can make it happen. You learn to relate one to one, one to two and one to many and living begins to develop. We are interested in the things you make happen. We would like to help you remember them all with a yearbook that tells your story. Together we can make it

HAPPEN.







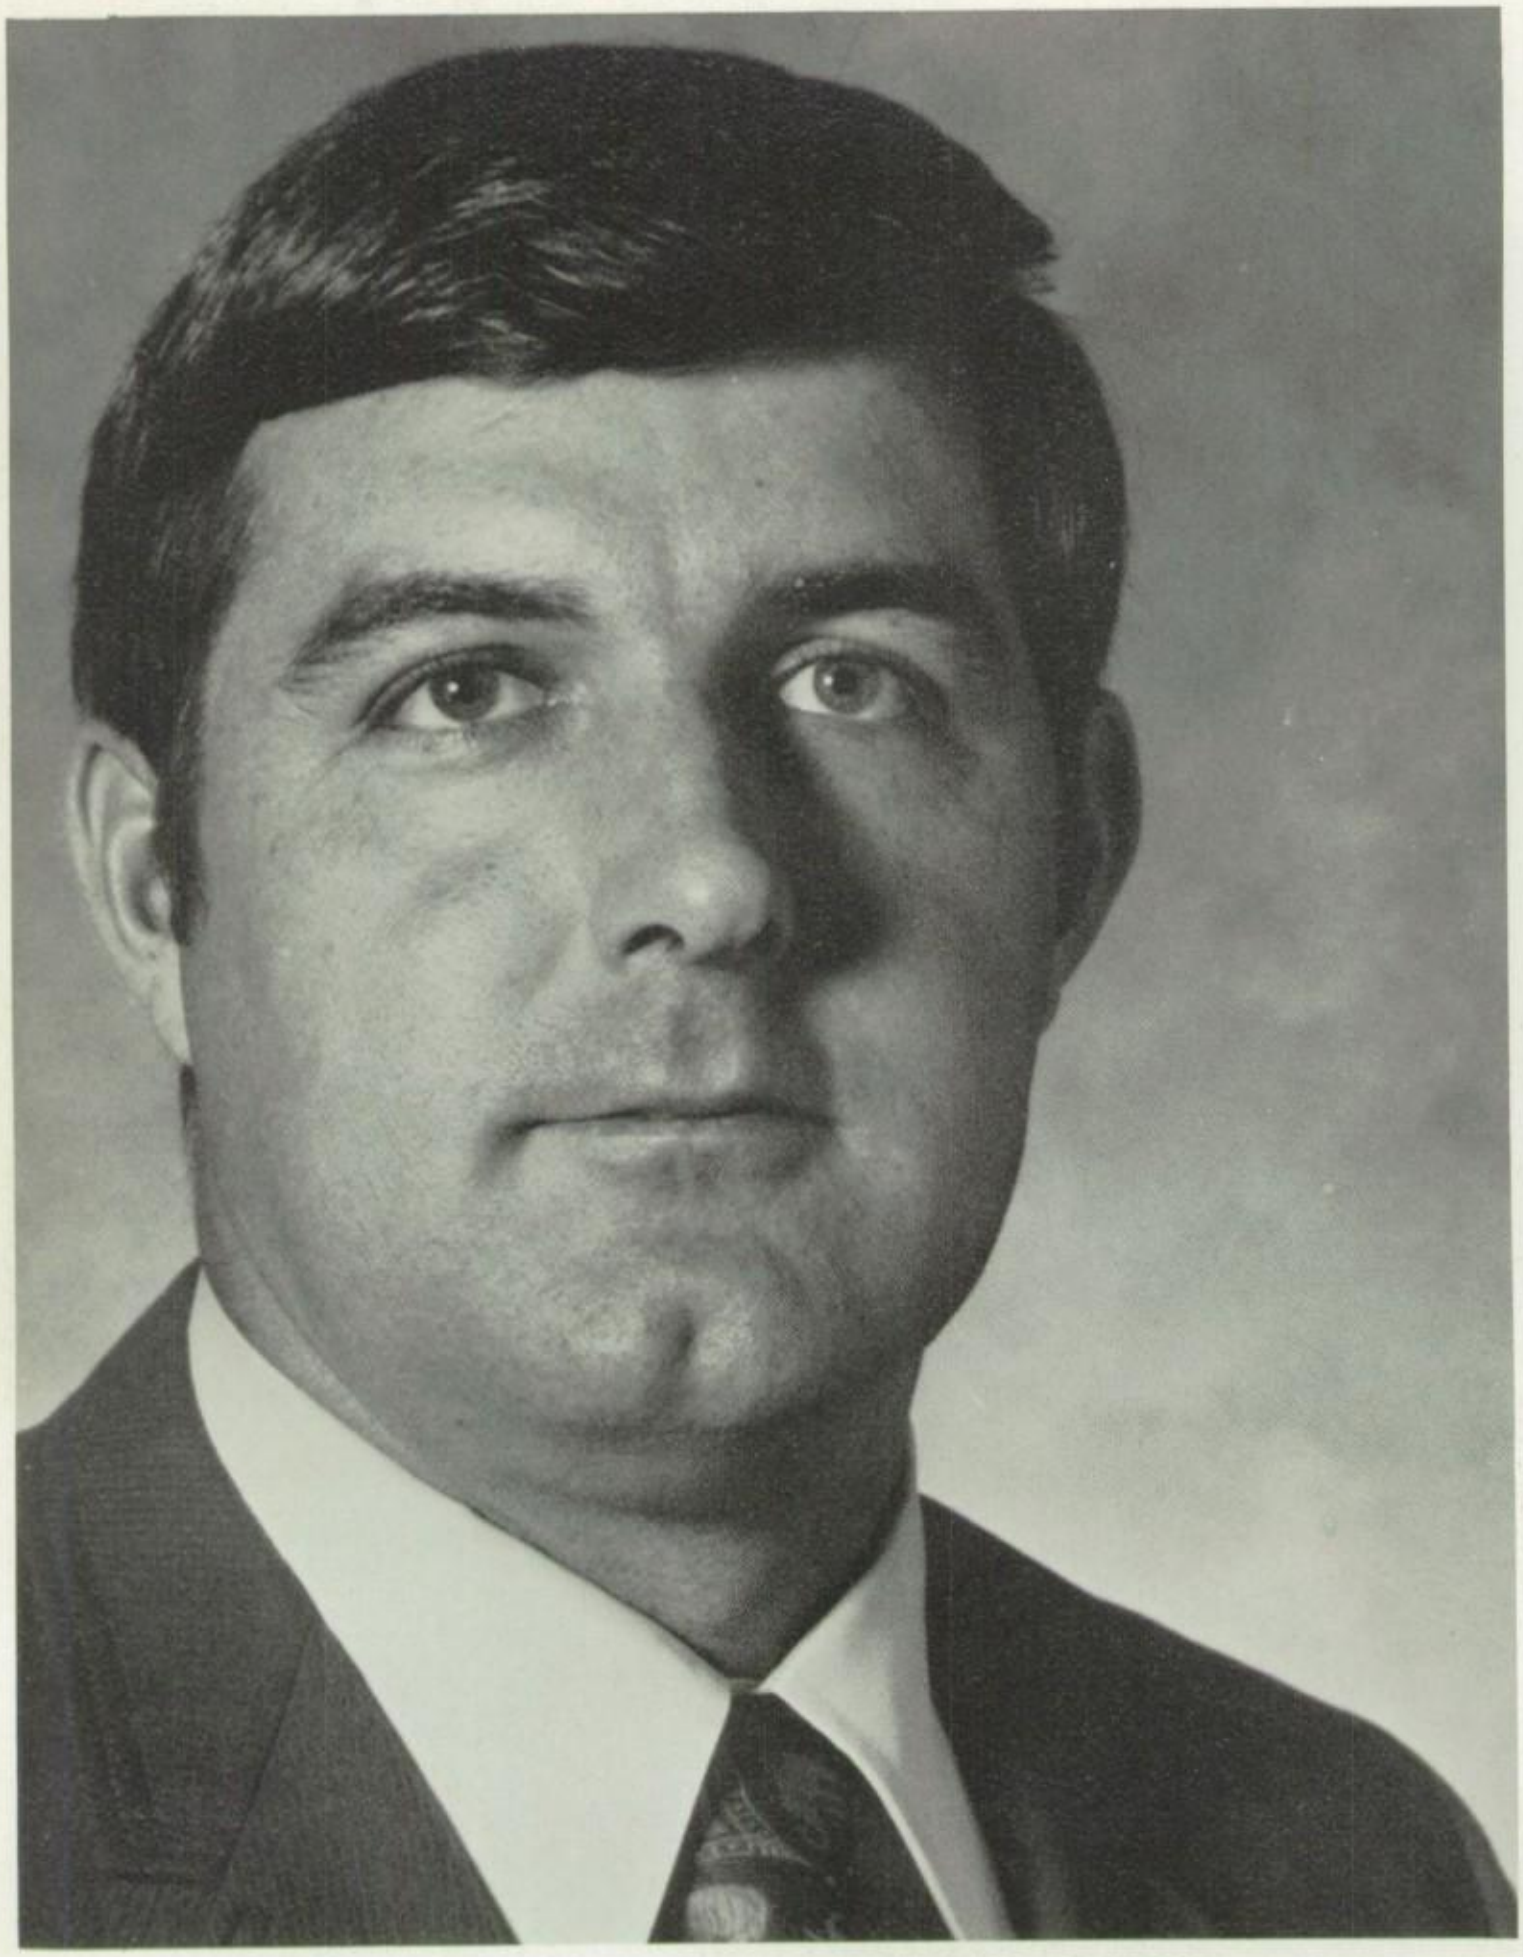
See no evil,
hear no evil,
speak no evil!!

Touching hands . . . the
silent commune of our
souls
Measuring time, only
by the moments

we

share.

Dedication

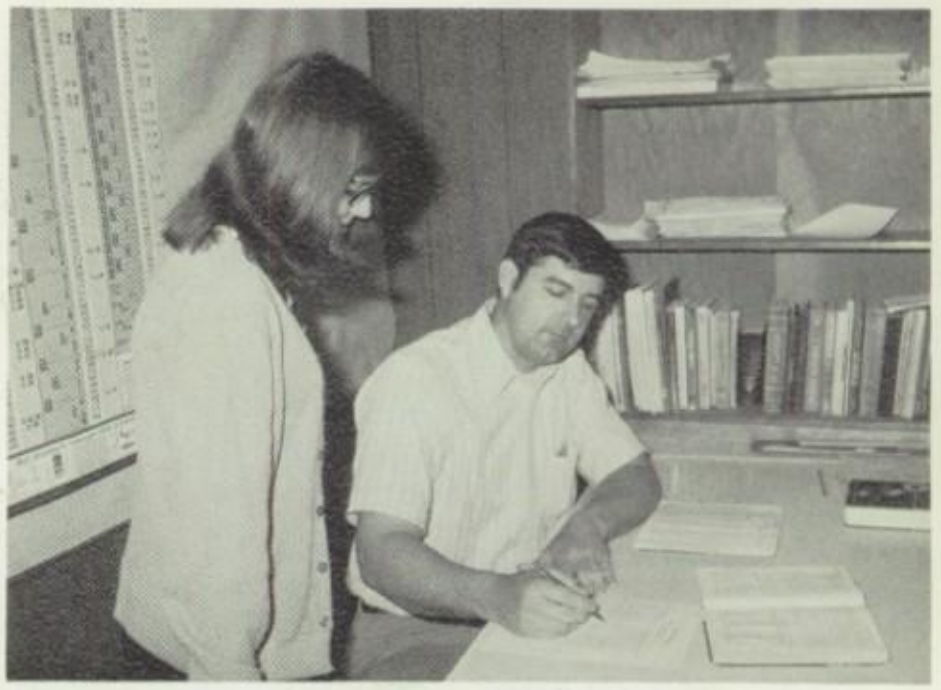


Mr. William Bacon is a graduate of Southern State College with a B.A. degree in Mathematics. He obtained a M.S. degree in Mathematics from U. of Arkansas. In addition to his regular high school classes at Fairview, he also conducts an evening class which is sponsored by the U. of Arkansas. His students are other math teachers from the surrounding school areas.

Mr. Bacon has taught math at Chidester High School, Arkadelphia High School, as well as Southern State College. At Fairview he is one of the senior class sponsors.

His hobby is farming, and in the summer he takes care of a family peach orchard.

A Man of All Seasons

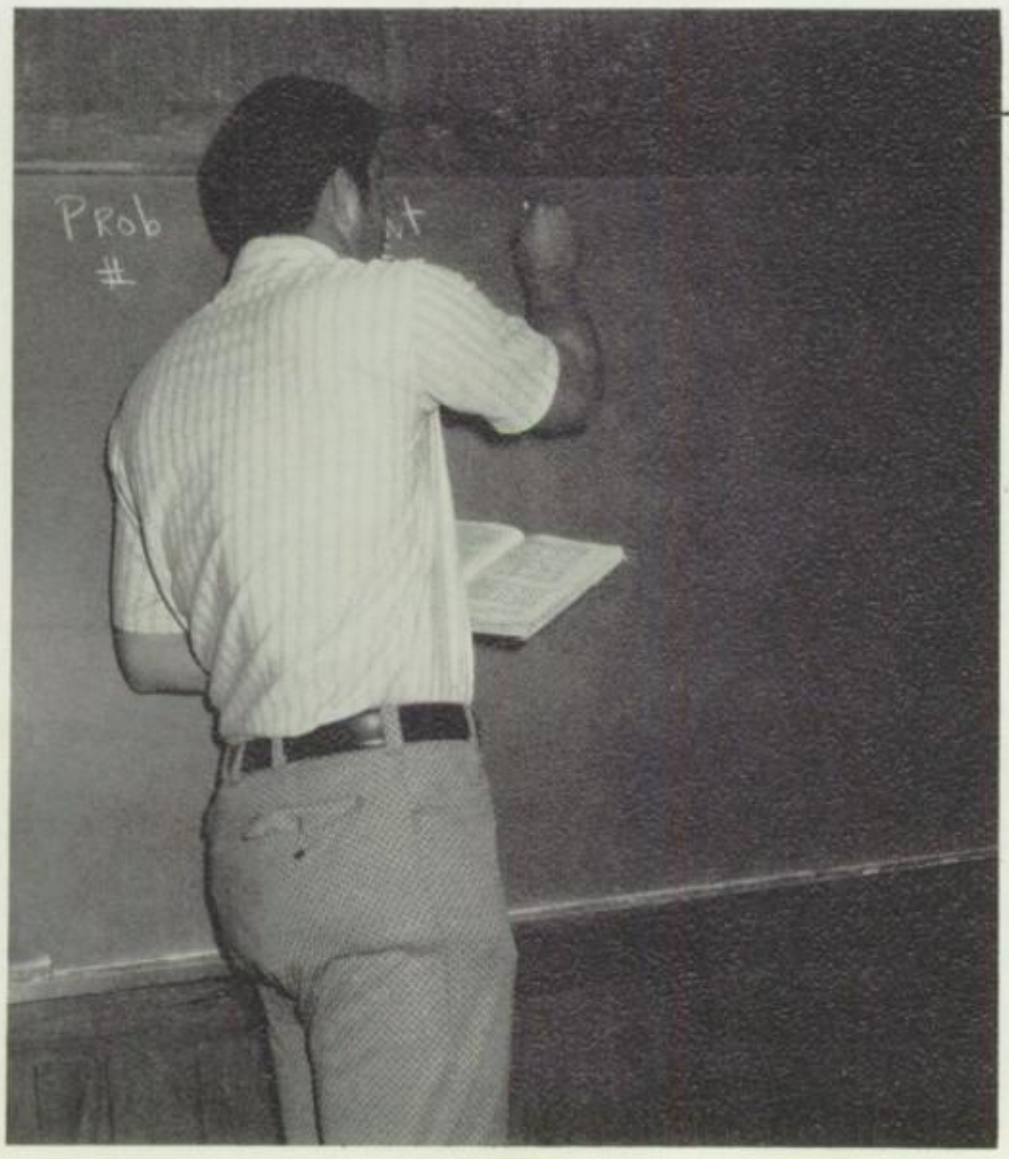


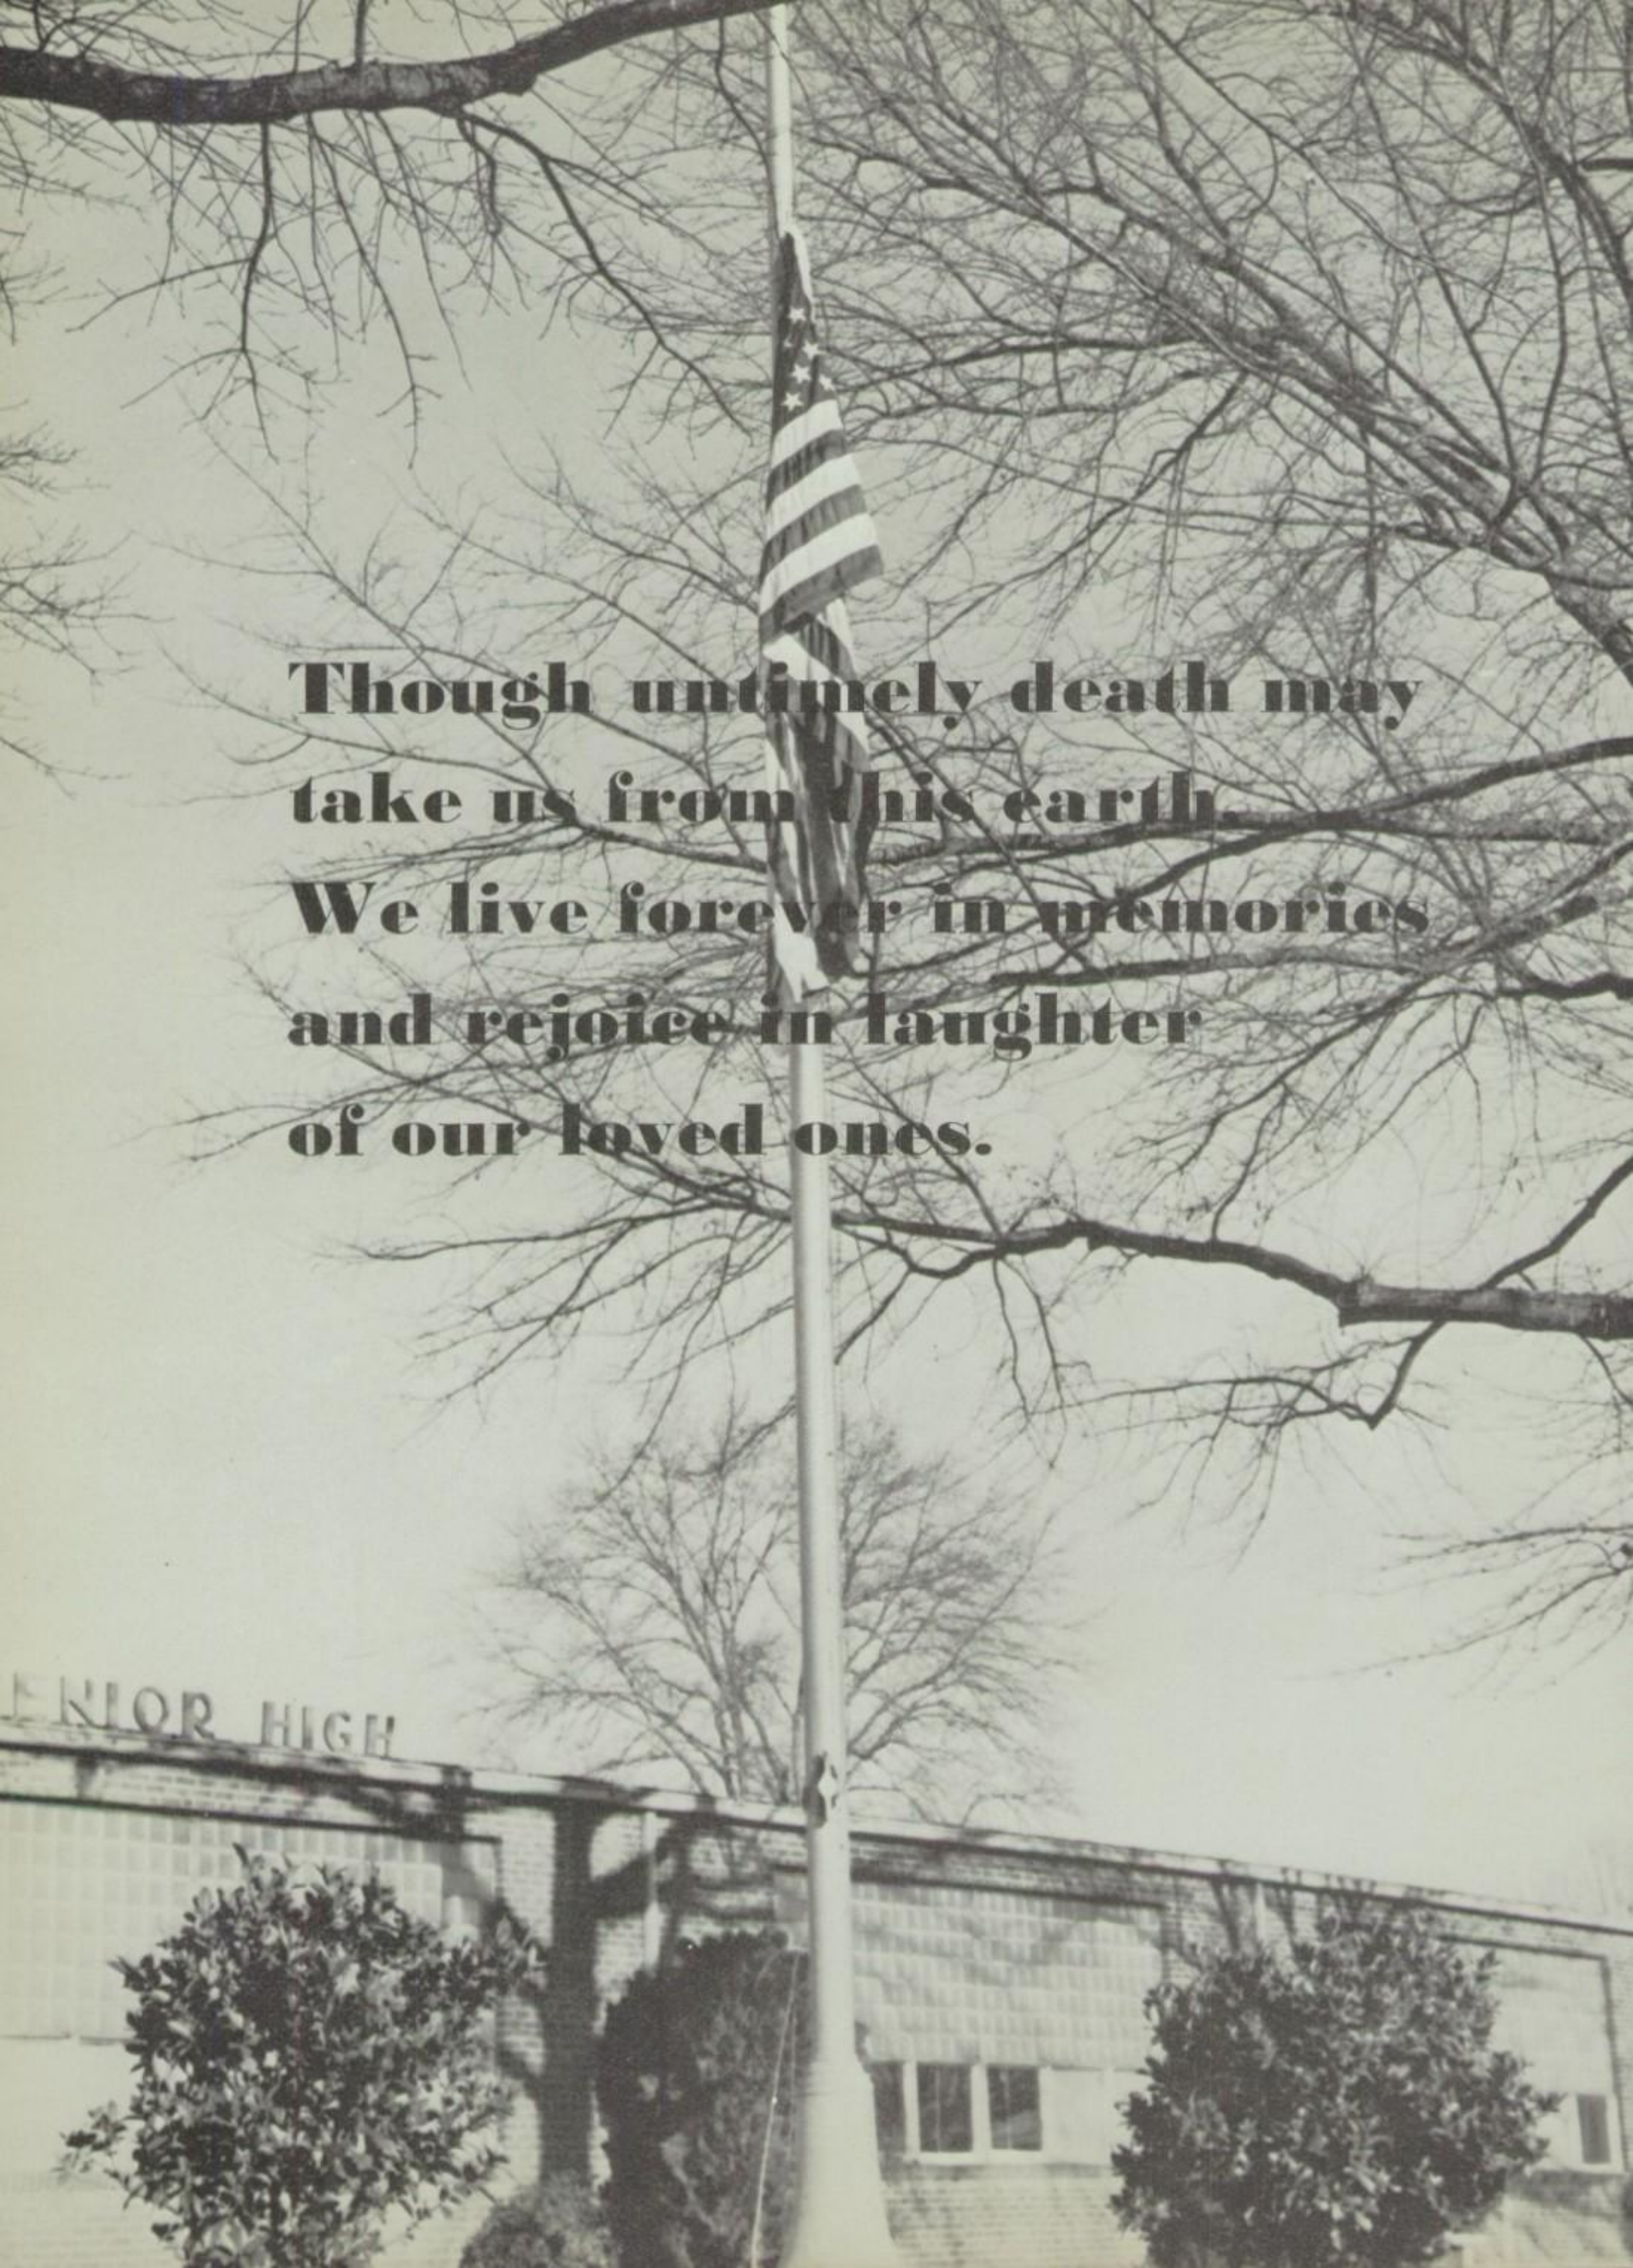
Teacher

You were an Impulse
A wild, unique impulse that
struck about three hours after I
met you.
I can smile when I think of you.
We were the most alike,
But it was our Differences
that drove us apart.
You were my Plato, I was your pupil.
Perhaps that was your downfall,
trying to teach me more than I
was capable, or willing,
to learn.
We weren't meant for anything serious,
just a Utilitarian Relationship
that enabled me to sort out
My emotions,
My beliefs,
And to discover that there are
Rules
to loving a person.

And I thank you for that.

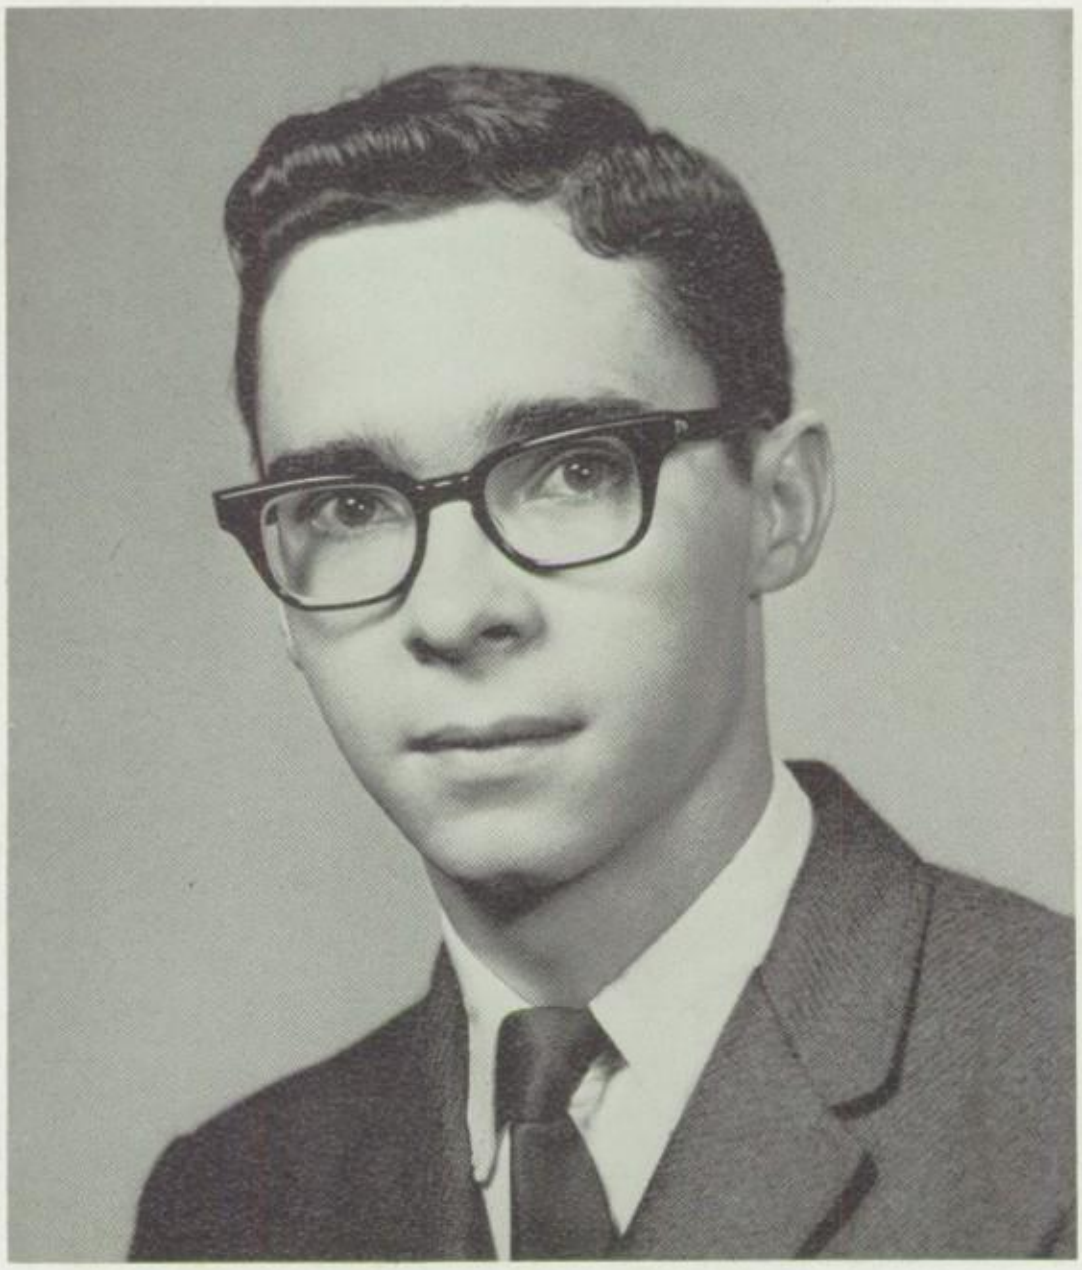
Karen Simmons





Though untimely death may
take us from this earth.
We live forever in memories
and rejoice in laughter
of our loved ones.
NIOR HIGH

In Memory of



Freddie Joe Shirron

I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when day is done.

I'd like to leave an echo
Whispering softly down the ways,
Of happy times, and laughing times
And bright and sunny days.

I'd like the tears of those who grieve
To dry before the sun
Of happy memories I leave
Behind—when day is done.

ADMINISTRATION

The Board

Determines General Policies

The Board is the legally constituted agency whose final decisions determine general policies of the high-school, looking to the chief administrative officer for leadership in policy matters and execution of those policies. Meeting in regular session, the board members work diligently to provide a better working school system. Joe Wilson is the president of the Board.

sometimes it is experience,
and sometimes it is something
else.

Is this Mrs. Welborn's best class?!?

This is one way for Seniors to get out of English class.

Mathematics

Mathematics provides the basic tool for investigation into almost every area of human endeavor. In the highly technological world of today with more and more emphasis being placed on science, it is almost a necessity that one have some familiarity with the field of mathematics.

The purpose of the mathematics department at Fairview is to give the student a solid background in the science of numbers and their operations, interrelations and combinations.

Drama

Love is . . . To be or not to be.

Bodily communication indicates that mind, spirit, and expression work harmoniously to emanate emotions. Mrs. Walker "steps to the music" which she hears. Drama class members seem "to hear a different drummer." Emphasis in both speech and drama is placed upon interpretation, creativity, and appreciation.

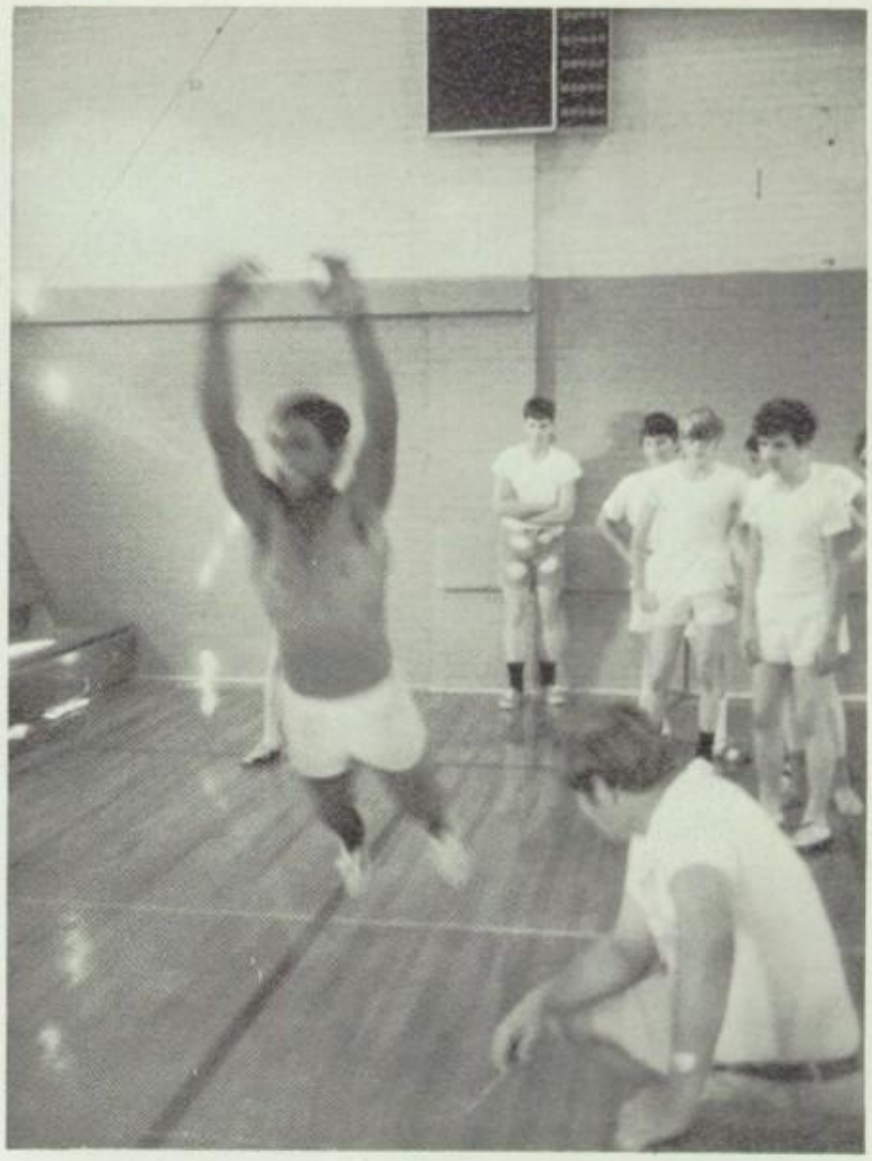
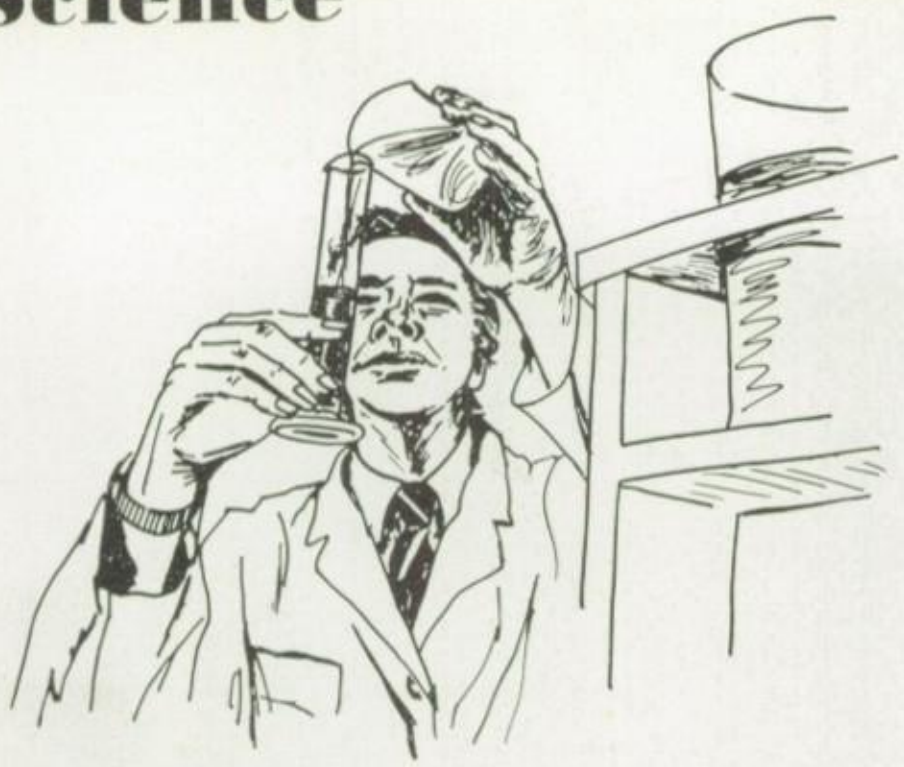
Physical Education



The F. H. S. Physical Education program strives to offer a broad and varied schedule to interest every student. Supervised and healthful recreation is provided for both boys and girls.

Science Magnifies



With increased emphasis on science today, it is important for us to have a thorough understanding of it. The many departments of Fairview High School offer an opportunity for a clearer understanding of the world of nature, a broader working knowledge and greater appreciation for the physical phenomena in our daily experiences, and an insight into the physical world around us.

The 1972 FIGHTING CARDINALS have shown true courage and have upheld the school's honorable name. Though victory has come hard, and the sting of defeat has been felt, the CARDS proved themselves worthy of much praise and glory. The '72 CARDS through defeat have learned that victory is earned by hard work, determination and a never ending spirit. Victory on the field is great, but it is the man that can take defeat and better himself from it—he is the true victor.

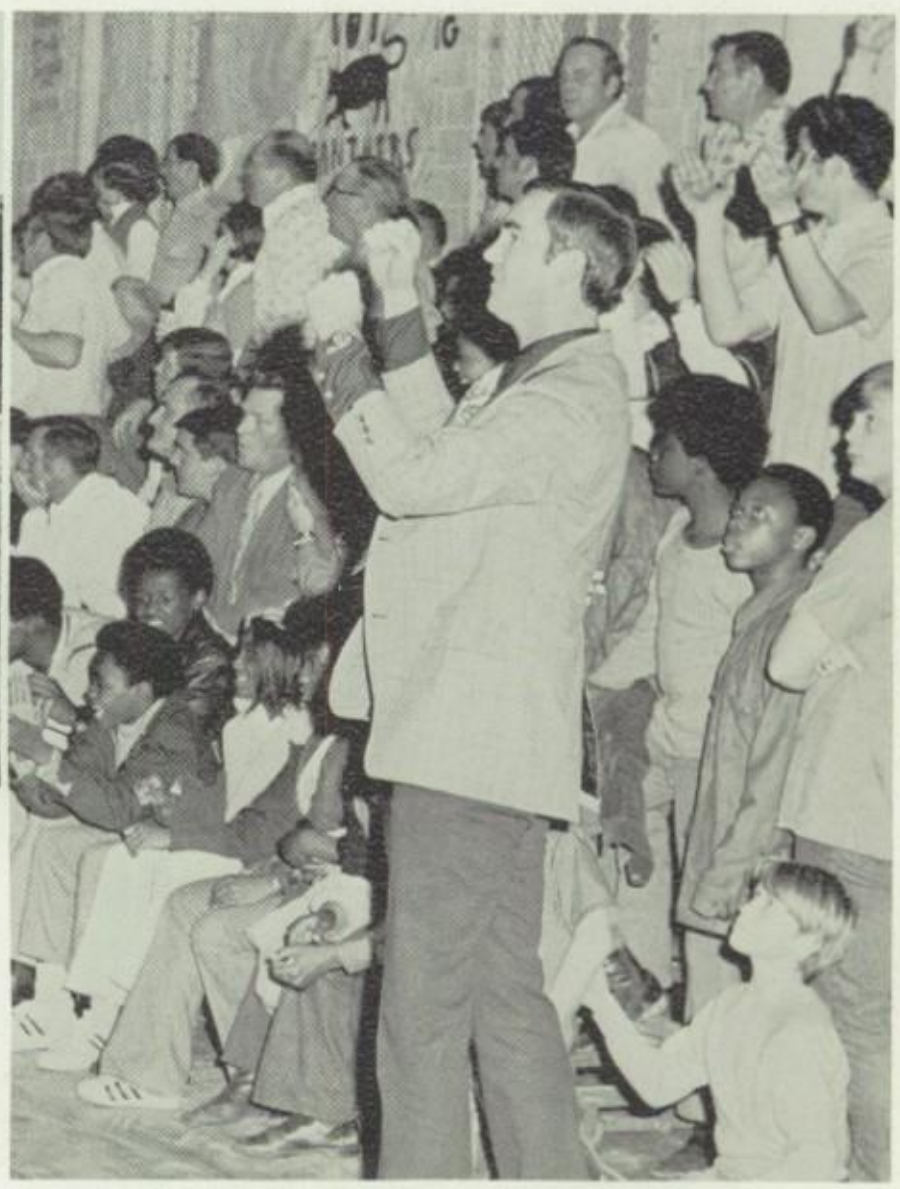
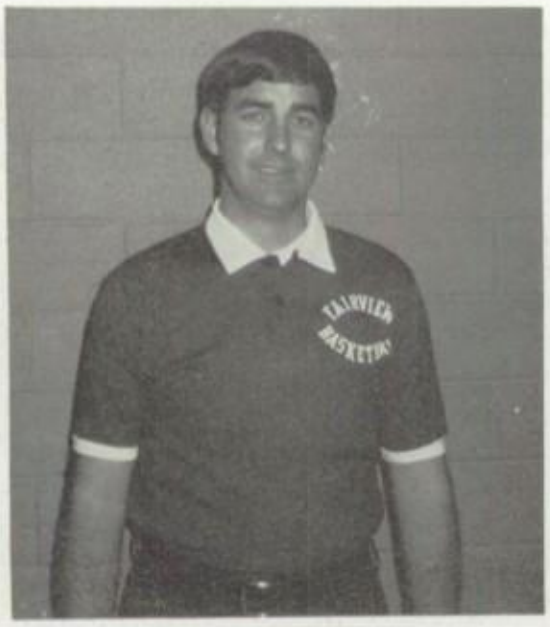
THE MAN — Coach Robert Campbell
The brain behind CARDINAL basketball



If I told you once I told you a thousand times!!!!!



Coach Bob Bush

The Fairview Juniors, coached by Bob Bush, finished with a record of 22–3 this season. They won the 7AA Jr. District championship by defeating Malvern. The Juniors advanced to the semi-finals of the state tournament before being defeated. Ken Poindexter was named to the all-district and all-state basketball team. In addition, the team was awarded the state sportsmanship trophy.

Cardinal Spirit–Girls

The Cardinal Spirit-Girls are the Senior Cheerleaders and Pep Squad. Through rain, rain and more rain these girls were yelling for their team. They never seemed to run out of energy, enthusiasm, and pep when they were backing their Mighty Cardinals.

Besides participating in school activities, they were very active in civic activities. These girls worked all summer preparing for cheerleader camp. At camp they competed for ribbons. This year the group won a total of ten ribbons. They won six superior ribbons, three excellent ribbons, and one outstanding ribbon.

There is one person who is seldom in the limelight. She is their sponsor, Mrs. Paulette Nix. Without this lady nothing, could have been accomplished. She was there anytime that she was needed.

This year, the Annual Staff extends a special thanks to these girls and their sponsor for showing us that "Cardinal Spirit" is still around!

The unified effort of the Pep Squad and cheerleaders produced that good 'ole Cardinal Spirit. The members of the Pep Squad are commended for their unending zest under the leadership of Mrs. Paulette Nix, the sponsor.

We Believe In

Happiness is . . . being able to hit a note THIS high!

The Fairview Choirs, under the direction of Mr. Gene Jeffers, had a new sound this year. This major new sound in the Senior High Choir was the boys. Also, new music had to be ordered to fit their voices. Along with that came new music for the Junior High and Senior High Glee Clubs.

Good music, as a usual rule, is hard to sing and requires much practice. In order to do music justice, the choirs practiced daily for the pleasure of their audiences.

We congratulate the choir and Mr. Jeffers on a job well done this year and say, "Keep it up".

During these two years, the band has won six first place awards. At the Southern State Invitational Solo and Ensemble Contest, Fairview had the most entries and brought back the most medals, 205. In region tryouts, the band has had more first chair players than any other band in the region. We congratulate the band on their fine performances and wish them success in the future years.

Seniors

More than just a class ring or a diploma, the senior year brings a completion of four years of very hard work. Crowning touches are added as we produce plays, attend banquets, and last of all, go to our own graduation.

Plans are finalized, some go on to school, some begin to work or get married, and others go into the service.

WE CAME . . .

We with our eager eyes
and polished faces.

We came alone
but one in a sea
of the faceless many,
and we found ourselves
as one.

We with our hopes
and dreams . . .

we with our
fears and longings.

With the completion of an annual comes the end of a year and the fulfillment of a responsibility to ourselves and the students of Fairview High School. There are many events, many people, and many ideas which compose a school year. We hope that we have been able to touch at least upon most of these.

Working together as a group, we experienced more than just gathering material—we shared humorous and serious moments, and smooth and rough decisions, with the sword of Deadline constantly hanging over our heads.

Special thanks must go to the Hurley Company who helped me time and time again. Thanks also go to Mr. Branch, Mrs. Lawson, Mrs. Hatch, and Mrs. Welborn who gave me more time and understanding than I deserved.

Now the pages are finished, and we give to you the 1973 CARDINAL. The staff and I hope you enjoy it.

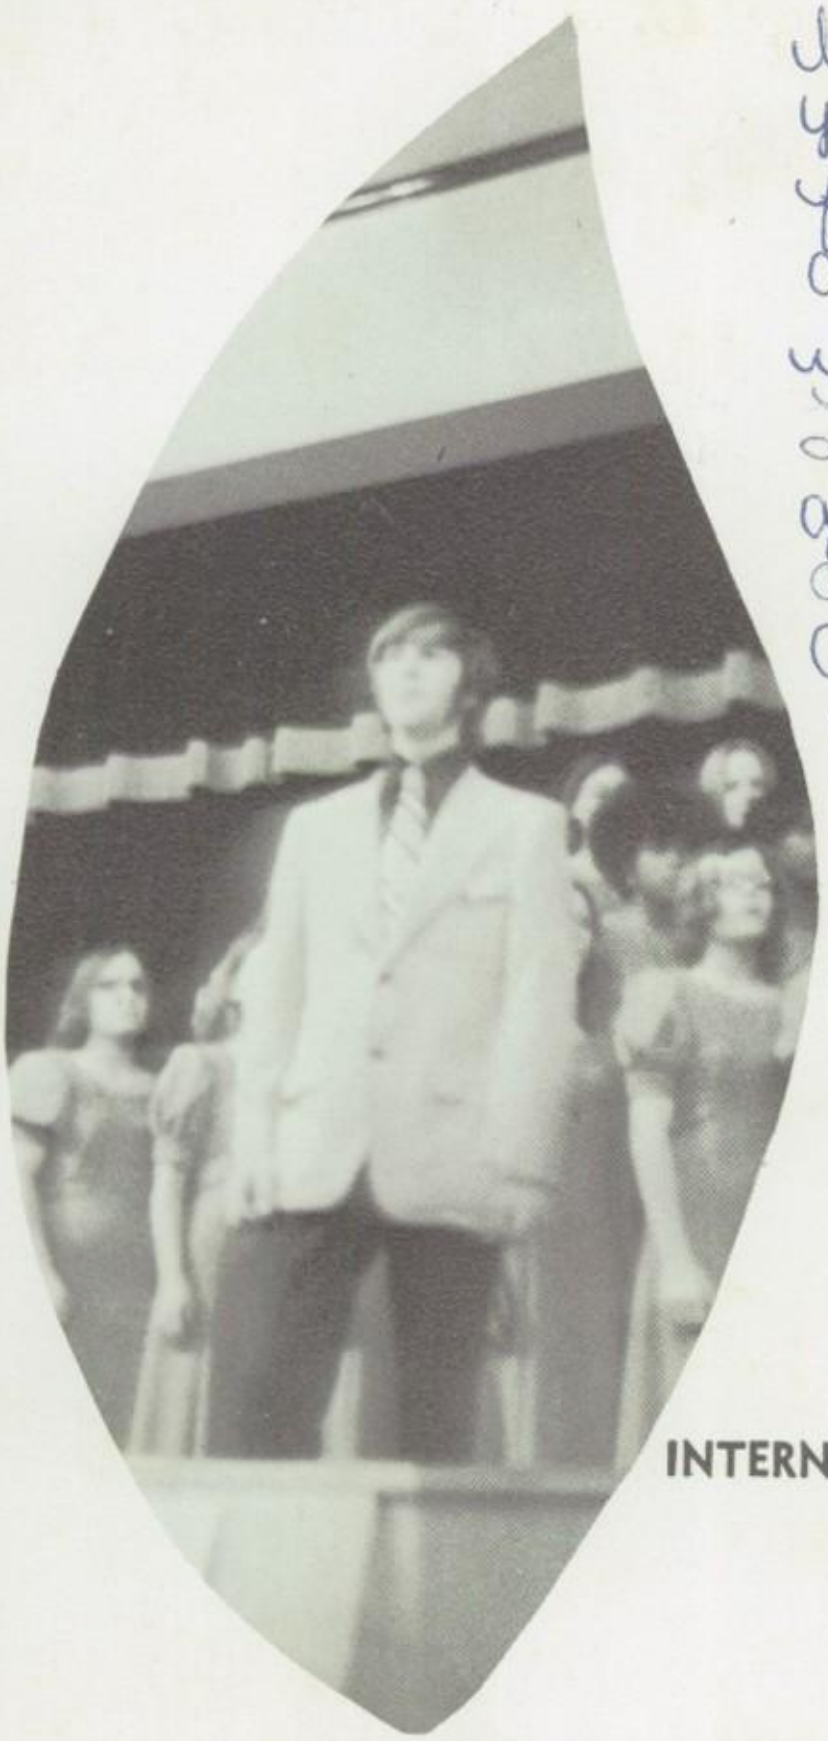
INTERESTED IN YOUR TOMORROWS?



Hey Johnny B.,
It was a real thrill being in Algebra with you even if it wasn't for the whole year. What a fling we did have, even when we got sent to D.T. Wall Try your very best to be good this summer. And don't get into too much trouble. And remember I'll love you forever.

Love someone
who tries to be
